

PLYMOUTH 375th

Happy 375th!

Plymouth's 375th anniversary celebration was a boon to Plymouth County tourism this summer. Thousands of visitors from across the nation and other countries flocked to "America's Hometown" to participate in this important event. Among the activities were (clockwise from top) a re-creation of the Pilgrims' landing in Plymouth, a waterfront festival, Supreme Court Justice David Souter swearing in 102 new U.S. citizens and a cruise by Mayflower II across Cape Cod Bay.
